Important Note

TRICH.GAL PCR Positive control

Dear PCR Positive control user,

Per OSHA 29CFR1910.1200, Commonwealth of Australia [NOHSC:1005, 1008(1999)] and the latest amendments to the European Union Directives 67/548/EC and 1999/45/EC, the following products do not require a Material Safety Data Sheet (MSDS). They do not contain more than 1% of a component classified as hazardous and do not contain more than 0,1% of a component classified as carcinogenic. Therefore Bioingentech does not provide a MSDS for any of the following products. However, when working with these or any chemical reagents, we always recommend the use of gloves, lab coats, and eye protection. Bioingentech assumes no liability for damage resulting from handling or contact with these products.

If you have any questions, please contact your local Bioingentech Technical Service Department (www.bioingentech.com)
Best regards,
Bioingentech Ltd.

Important Note

dNTP Mix

Dear dNTP Mix user,

Per OSHA 29CFR1910.1200, Commonwealth of Australia [NOHSC:1005, 1008(1999)] and the latest amendments to the European Union Directives 67/548/EC and 1999/45/EC, the following products do not require a Material Safety Data Sheet (MSDS). They do not contain more than 1% of a component classified as hazardous and do not contain more than 0,1% of a component classified as carcinogenic. Therefore Bioingentech does not provide a MSDS for any of the following products. However, when working with these or any chemical reagents, we always recommend the use of gloves, lab coats, and eye protection. Bioingentech assumes no liability for damage resulting from handling or contact with these products.

If you have any questions, please contact your local Bioingentech Technical Service Department (www.bioingentech.com)
Best regards,
Bioingentech Ltd.

Important Note

Magnesium chloride

Dear Magnesium chloride user,

Per OSHA 29CFR1910.1200, Commonwealth of Australia [NOHSC:1005, 1008(1999)] and the latest amendments to the European Union Directives 67/548/EC and 1999/45/EC, the following products do not require a Material Safety Data Sheet (MSDS). They do not contain more than 1% of a component classified as hazardous and do not contain more than 0,1% of a component classified as carcinogenic. Therefore Bioingentech does not provide a MSDS for any of the following products. However, when working with these or any chemical reagents, we always recommend the use of gloves, lab coats, and eye protection. Bioingentech assumes no liability for damage resulting from handling or contact with these products.

If you have any questions, please contact your local Bioingentech Technical Service Department (www.bioingentech.com)
Best regards,
Bioingentech Ltd.

Important Note

PCR Buffer

Dear PCR Buffer user,

Per OSHA 29CFR1910.1200, Commonwealth of Australia [NOHSC:1005, 1008(1999)] and the latest amendments to the European Union Directives 67/548/EC and 1999/45/EC, the following products do not require a Material Safety Data Sheet (MSDS). They do not contain more than 1% of a component classified as hazardous and do not contain more than 0,1% of a component classified as carcinogenic. Therefore Bioingentech does not provide a MSDS for any of the following products. However, when working with these or any chemical reagents, we always recommend the use of gloves, lab coats, and eye protection. Bioingentech assumes no liability for damage resulting from handling or contact with these products.

If you have any questions, please contact your local Bioingentech Technical Service Department (www.bioingentech.com)
Best regards,
Bioingentech Ltd.

Important Note

TRICH.GAL Primers

Dear TRICH.GAL Primers user,

Per OSHA 29CFR1910.1200, Commonwealth of Australia [NOHSC:1005, 1008(1999)] and the latest amendments to the European Union Directives 67/548/EC and 1999/45/EC, the following products do not require a Material Safety Data Sheet (MSDS). They do not contain more than 1% of a component classified as hazardous and do not contain more than 0,1% of a component classified as carcinogenic. Material Safety Data Sheet (MSDS)

VetPCR™ TRICH.GAL Detection Kit

Cat. No.: VET0018A
Store at: -20°C

1. **Composition / Information on Ingredients**
Contains reagents, buffers and primers.
2. **Hazards Identification**
No poisonous or radioactive material in the kit.
3. **First Aid Measures**
Eye Contact: Rinse out with cold water.
Skin Contact: Wash off with water.
Ingestion: Drink water.
4. **Fire Fighting Measures**
Non combustible.
5. **Handling & Storage**
Storage: Store at -20°C upon arrival
6. **Accident Release Measures**
Clean up affected area.
7. **Exposure Controls/Personal Protection**
Use gloves.
8. **Physical and Chemical Properties**
Clear solutions.
9. **Stability and Reactivity**
Stable -20°C
10. **Toxicological Information**
Non toxic components.
11. **Ecological Information**
No ecological problems are to be expected when the products is handled and used with due care and attention.
12. **Disposal Considerations**
Can be disposed in laboratory sink
13. **Transport Information**
RID/ADR
Non-hazardous for road transport.
IMDG
Non-hazardous for sea transport.
IATA
Non-hazardous for air transport.
14. **Regulatory Information**
None.
15. **Other Information**
None.
